

FOUR WAYS to SIGN-IN

paperless!

1. iPhone or ITouch App

Step 1: Add the icon to your home screen

- If you don't have a QR code reader, download a free app from the iTunes store or go to <http://iphone.checkinhelp.com> on your browser.
- Select the  button just below the blue arrow at bottom of screen.
- Select Add.

Step 2: Rapid check-in using the icon

- Select the Event Call In icon on home screen.
- First time use: enter the call-in number 8014785852 and your cell phone number.
- Enter the event code and press Register.
- Subsequently you'll only enter the event code.

2. Android Phones App

Step 1: Add the icon to your home screen

- If you don't have a QR code reader, download a free app from the Google Play store.
- Point your camera at this code and install the Event Call In icon on home screen.

Step 2: Rapid check-in using the icon

- Select the Event Call In icon on home screen.
- First time use: enter the call-in number 8014785852 and your cell phone number.
- Enter the event code and press Register.
- Subsequently you'll only enter the event code.
